Sadie AT REST

**Funeral of Mrs. Newell A. Redmond
Occurred Friday.**

Funeral services for Mrs. Newell A. Redmond occurred from the R. W. Bradshaw home on Friday afternoon. There was a very large attendance, a number of people coming from quite a distance to be present on the occasion.

The services were conducted by Rev. C. B. Harrold, who preached a splendid sermon on this occasion, throughout which much of comfort for those who were left behind was delivered. The floral offerings were splendid, bearing testimony to the high regard in which Mrs. Redmond was held by those who knew her, in death.

Interment was in Groton Union Cemetery whence a large number of autos followed the hearse bearing the remains.

Her death has been a great deal of a blow to Groton people. Married but two months, young, and in apparent health a few days before her taking away, and apparently with the best years of life before her, news of her going was not only a shock, but was a source of genuine regret to all who had known her. Those related to her have the sympathy of all.
